Asbestos Abatement

Dear Parents, Faculty and Staff:

This letter is to notify you that the above referenced project is scheduled to commence at your school on approximately 6/21/2010, and will continue until approximately 6/26/2010. Details of the project scope are attached.

This project has been designed to meet all applicable regulations and CPS requirements by the Managing Environmental Consultant (MEC). The project will be completed by Illinois Department of Public Health (IDPH) licensed workers trained and/or accredited to perform stated work in Illinois public schools. In addition, the project will be monitored at all times by an on-site environmental consultant. The environmental consultant was hired independently from the abatement contractor and has a separate contract with the Chicago Public Schools.

If you have any questions regarding this matter or require any additional information, please contact the MEC, ATC Group Services, Inc. d/b/a ATC Associates Inc. 630-916-7272.

Sincerely,

Lynn A. Crivello
Environmental Services Manager
