

High School Supply List

Supplies are required on a class-by-class basis, so there isn't a specific Lane Tech supply list. Teachers will identify the supplies necessary for their class on the first day of school. To take advantage of current store sales, the following supply list has been created to assist you in purchasing supplies.

Recommended Supplies

1. Markers/Colored Pencils
2. Scissors
3. Ruler
4. Scotch Tape
5. White Out
6. Calculator (recommended: Texas Instrument graphing calculator—specifically TI-83 or TI-84)
7. Pencils (Mechanical is acceptable)
8. Pens (Blue, Black, and Red)
9. Binders (1 1/2" – 2" binder with clear overlay covering) May be necessary for up to 7 classes. Some classes may also require binder tabs (preferred tabs allow students to write on or type labels.)
10. Folders (Up to 7)
11. Notebooks (Up to 7) –A separate notebook for each class (if required) or a 3 or 5 subject notebook (college ruled).
12. Looseleaf paper (college ruled) – may be required for some classes
13. Pen/Pencil Case to put in backpack or Box to put in locker
14. FLASHDRIVE (This is extremely important to have. It doesn't have to hold too much data, so an inexpensive one should suffice.)

OPTIONAL

1. Index Cards
2. Glue Stick
3. Mini Stapler with Staples (A larger one at home is good too.)
4. 3 hole punch (either a small one to put in binder or a larger one to keep at home)

Again, these are just recommendations.
