

## Athletics Update 02/11/2021

The CPS Office of Sports Administration has permitted sports to begin. We are in the WINTER SPORTS SEASON (boys/girls basketball, boys/girls bowling, cheer, dance, boys swim). Our first official day is Friday. It is very important that all athletes planning on trying out register through our [website](#) and bring an updated physical to their tryout. If you have specific questions about tryouts or the season, please reach out the respective coach.

In order to be permitted into the building, all athletes must complete the health screener and security and coaches will check in athletes as they enter the building (this [health screener](#) must be completed) with temperature checks.

Our protocol will have athletes enter and exit using the following door maintaining six feet of separation at all times:

boys/girls basketball: DOOR J

cheer/dance: DOOR N

boys swim: DOOR M

Here is the boys basketball tryout schedule (girls schedule forth coming):

**Boys Basketball:** NOTE: freshmen tryouts on Saturday are two groups and you will be emailed which time to show up after you register. Those emails will come out on Friday (PLEASE REGISTER ASAP).
