c. Community Surveys

Rebecca Daly- spearhead the Teacher/Staff Survey

Sean Groh - student survey

Laura Symons - parent community survey

Maureen George suggested placing LT LSC school Mission at the beginning of the surveys and changing the climate question to add: 'How would you describe the current climate of Lane in 2 sentences or less; or List four words that describe Lane's current climate.' Anne Lokken said 3 open-ended sentences instead of 2.

We discussed sending the surveys from February 6 - the 20th, with the notion of extending it if needed, this will give LSC time to review the results of the surveys, to give the LSC enough time for Principal Evaluation.

Tikisha Buford suggested offering incentives for parents/community such as a raffle if forms are filled out for LT mugs or something like that. Laura will ask LSC Relations to see if it's allowed.

On February 6th, a required student survey from LT will be given out and might be too much.

Motion: To use the same surveys from last year, the three surveys with a slight change to the Climate that Maureen suggested, open all 3 surveys on Monday, February 6th, and close on February 20th with the caveat that if we have to leave it open for an extra week (for more feedback) then we shall.

- Basketball 3X3 Coach of the Year - Nick LoGalbo
- Boys Bowling- Back-to-Back City Champs
 - Back-to-Back Regional Champions/City Champs (re: the change)

8. Reports:

a. Principal - Edwina Thompson (see attached)

Thank you for being so flexible during last week's evacuation. A student saw something in the bathroom and informed the school. The district directed to evacuate the school and, they will give an update. Mercury was found, they mitigated the situation, worked through the night and took care of areas that need more mitigation to ensure the safety of the school.

Principal Thompson would like to thank Assistant Principals Kerri Thompson, Molly Hart, Sarah Hanly, and Joshua Dresser for their diligence to work on a contingency plan as the district determines the next step.

Competencies:

A - Continuous Improvement on-track rate is low. Only 1 African American 9th grader and 28 sophomores are not on track.

B - Our social workers and counseling staff host groups of students (mental health) for 8 weeks in a small group environment and see improvement in the daily school environment.

C - Alumni Fair December /January. College night March 23 and 92.3 non-cluster seniors have applied for at least one college. LT's goal is 100%. Erin Deisbucsh and school counselors are accompanying students on college tours and various trade/work programs.

D - The science fair ten finalists will be recognized by the LSC next month. There's City, State, and Regional Science fair. Alpha is a unique cohort in science tech.

E- 12k grant is planned on utilizing by June - will work with students on how to use that grant.

b. PPLC - Rebecca Daly and Mario Nunez (see attached)

Mario Nunez presented the result of the slide presentation of the surveys.

c. BAC - none

d. Friends of Lane - Nikki Pesch

Board member, Susie Hauser presented for FOL.

Annual Appeal kicked off in September and to date has raised over \$320k.

Thank you to the donors and volunteers for the teacher/staff holiday luncheon. Provided to the 393 staff \$25 Amazon GC and custodians gift cards.

Grant application for teachers - some past recipients will show how these grant winners utilize this grant money.

The school store is selling online the new champion signs.

The Gala is on May 5 at Rockwell. Need volunteers.

The venue - Commonwealth, will sponsor the 'Guest Bar Tender Parent Social' fundraiser - tips go to that particular teacher bartender and their program on 2/25.

Facilities Updates :

HVAC Update (Construction Begins Summer 2023 and Ends Winter 2023)

The FY2023 CPS Capital Plan includes projects across the city that focus on priority facility needs at neighborhood schools in five main areas: critical facility needs, interior improvements, programmatic investments, site improvements, and IT and security upgrades.

Lane Tech High School was identified as a facility requiring a renovation to address critical facility needs. The FY23 project will target the mechanical systems which control the indoor environment and air quality of the building.

The scope of the project includes modernization efforts targeting the mechanical, electrical, and plumbing systems for the facility. The project will enhance the high-quality learning environment within the building and improve the functionality of the systems. Exact details will not be determined until the budget and program are approved by the CPS Board of Education.

Design will be completed early winter 2023 with construction scheduled to begin summer 2023.

Parking Lot Update (Construction Begins and Ends in Summer 2023)

Lane will receive a parking lot update that goes from Western Ave. to Stadium Drive.

Upcoming Dates to Remember:
